

## **Professional Code of Conduct & Oath of Confidentiality**

I, \_\_\_\_\_, agree to keep the content of the Bridgewater State University Athletic Training Education Program entrance examination confidential, including all oral exams, written exams, and practical exams at all levels of the selection and retention process. If at any time I reveal the content of the selection process or retention evaluations, I accept the consequences of having my eligibility in the program negated.

I also agree to maintain strict confidentiality on all matters related to the health care of the student athletes including information on any injury reporting form, rehabilitation form, S.O.A.P. note, or on any matter involving personal or psychological counseling. Any breach of this confidentiality will result in immediate removal from the Program.

I also agree to treat my athletes, peers, staff, and faculty in an ethical professional manner that is free from prejudice and bias. If at any time I degrade, demean, harass or discriminate against any of my colleagues or patients, I accept the consequences of having disciplinary action taken against me, which may include informing the NATA or the state licensing board of those ethical violations which may result in my total expulsion from the athletic training profession.
