UNDERGRADUATE MINOR

- Criminal Justice

The Department of Criminal Justice offers a major program in criminal justice and a minor in criminal justice.

The department provides a rigorous discipline-specific curriculum aimed at developing well-rounded graduates with strong critical thinking abilities. Department programs also impart skills to students, preparing them for a wide range of career options in the field of criminal justice or closely related fields. Career options include positions in the criminal justice system, education, research, private treatment agencies and various state and federal justice agencies. The department encourages students to continue on to graduate study.

Many department faculty members engage in research and the department encourages student-faculty collaborative research. Students may also carry out internships.

UNDERGRADUATE PROGRAMS

BACHELOR OF SCIENCE

The Bachelor of Science in Criminal Justice provides students with a solid background in criminal justice and criminology, enabling them to develop a broad understanding of crime and the criminal justice system. The department developed the

criminal justice program to meet the standards for criminal justice programs designed by the Massachusetts Board of Higher Education (BHE). The same standards are also affirmed by the Academy of Criminal Justice (ACJS). Program standards emphasize the development of skills in critical thinking, communications, conceptualizing ideas, and understanding criminal justice data. Students take courses in seven broad areas identified by the BHE as essential for criminal justice programs: 1) Administration of Justice; 2) Crime Theory; 3) Law Enforcement; 4) Criminal Law, and 5) Corrections; 6) Ethics; and 7) Research and Analytic Methods.

OVERSEAS STUDY OPPORTUNITIES

The Department of Criminal Justice urges its majors and minors to study abroad, both via Bridgewater State College sponsored study tours and as exchange students at universities. The Office of International Programs can assist students. Any student contemplating study abroad should consult the department with all pertinent documentation. credits earned in a regular semester or year at Bridgewater State College.

GRADUATE PROGRAMS

BACHELOR OF SCIENCE/MASTER OF SCIENCE - JOINT DEGREE PROGRAM

Bridgewater State College offers a joint degree program. This 151 credit program leads to both a BS and a MS degree in Criminal Justice.

Qualified criminal justice majors who have competitive GPAs and have earned 90 credits may apply to the joint degree program. Acceptance enables these students to take a combination of undergraduate and graduate courses beginning in their senior year.

Students admitted into the joint degree program must complete all of the requirements for the Bachelor of Science and the Master of Science in criminal justice programs in order to receive both degrees simultaneously.

This program is Quinn Bill approved.

MASTER OF SCIENCE IN CRIMINAL JUSTICE

The Master of Science in Criminal Justice provides students with the knowledge and skills necessary to succeed in a variety of professional positions in criminal justice or in closely related fields. Graduates from the program will also attain the academic background and proficiency necessary for admission into and completion of doctoral programs in criminal justice. Students in the program will acquire detailed knowledge of the seven broad areas of criminal justice, learn about the role of information technology in the criminal justice system, become familiar with major data sources, and learn to carry out research and data analysis in criminal justice. Students will also develop skills in critical thinking and in oral and written communications. In addition to providing a solid foundation in contemporary criminal justice, the program emphasizes diversity in criminal justice issues. Students may choose from two concentrations. The concentration in Administration of Justice is offered in cooperation with the Master of Public Administration program. Students may also concentrate in Crime and Corrections.

Admission Requirements

- 1.) A minimum undergraduate GPA of 3.0 based upon four years of course work
- 2.) A composite score of 1000 on the quantitative and verbal parts of the GRE General Test
