

Bridgewater State College

B.E.A.R.S

Attributes are codes that are used in the degree evaluation program to place courses into degree program areas. Attributes are mostly used in the core curriculum of undergraduate programs. Additional information about **core curriculum** and attributes can be found under the **Advising Guide** (PDF) page at <http://www.bridgew.edu/CoreCurriculum>

Courses with a number followed by an "XX" indicate that no equivalent has been established for the course and it should be considered a free elective. If any attribute(s) is listed next to the course than this course does fulfill one or more areas of the Core Curriculum.
