Careers in Criminal Justice

Join us for our ninth annual ***Criminal Justice Career Fair***. A variety of criminal justice professionals will share important information about their respective fields, hiring trends, job qualifications and other eligibility requirements for entry level and other positions. Students who are considering careers in the field of criminal justice are encouraged to attend.

Thursday, February 16, 2012
6:00 – 8:00 PM
John J. Moakley Auditorium
Bridgewater State University

Come and hear professionals from the following fields:

Courts/Judicial Officers
Criminal Justice Researchers
Federal, State & Local Law Enforcement
Homeland Security

Legal Advocates
Probation & Parole
Victim Services
Others TBA

The Criminal Justice program at Bridgewater State University provides students a strong academic foundation in criminal justice education, including information on the most recent developments in the field. New courses, internships and service learning opportunities that reflect best practices, technologies, and research are introduced into the curriculum periodically to better prepare students for future options.
