**\*05/16/08-05/22/08 is SHUTDOWN week. The following buildings will be affected:**

- Art Building
- Boyden Hall
- Campus Center (kitchen closed too)
- Library
- Harrington
- Kelly Gym (pool has no heat too)
- Maxwell Library
- Science Building (no distilled water)
- Tillinghast Hall (kitchen closed too)

During the shutdown week, the power plant shuts down the boilers for maintenance. This stops steam production and flow for use in various west campus buildings. The plant engineers try to have the boilers operating by Monday or Tuesday. During the boiler shutdown time, the air conditioning at the Library, Harrington and Boyden stop working. Distilled water production for the Science building stops. Hot water for Boyden, Harrington, Pope, Scott, Woodward, Kelly, Science Building, RCC and Tilly stop too. The RCC and Tilly kitchens are also affected as they use steam for cooking.
