ISSUES DISCUSSED:

- Campus bomb threat policy.
- What actually happened during the bomb scare on Tuesday, June 12, 2001.
- Why we weren't notified earlier about the bomb scare. An e-mail was sent two hours later.
- Why we weren't notified with a follow-up about the bomb scare.
- Asbestos abatement job will probably not be done by August 15, 2001.
- Hallway in Maxwell Library has a strong odor. Tiles are being put in.
- Ceiling pieces in the pool area, Kelly Gym, have been falling. Will the ceiling be fixed? There is asbestos under the ceiling.
- Patricia can get suspected asbestos tested right away at the Sci-Lab in Weymouth.
- Pool, Kelly Gym, has a leak. Not sure if it is the main drain.
- Patricia is conducting a "Right to Know Bloodborne Pathogen Training" for the maintainers and tradeworkers.

TO DO:

- Patricia will send out an e-mail to Miguel Gomes, Dana Mohler-Faria, and Lynette Willett to ask why a follow-up about the bomb scare wasn't sent out.
- Patricia will check the strong odor that is in the hallway in the Maxwell Library.
- Patricia will take the Safety Committee members for a walk in the fall to the buildings on campus to inspect any unsafe conditions.
- Patricia will put up caution tape around the area where the pieces from the ceiling have been falling in the pool area.
