RE: Commonwealth of Massachusetts Employees Charitable Campaign (COMECC)

I am pleased to announce that the annual Commonwealth of Massachusetts Employees Charitable Campaign has officially begun at Bridgewater State College. This year's campaign will run through the month of December.

The emphasis of the campaign is your ability to support charitable giving and to make a difference in the lives of others. Each of us can support our own communities by donating to local charitable groups that assist our neighbors and friends who might be experiencing hardship in their lives. If you so choose, your support of COMECC can make a significant difference in the lives of children, families and communities across the state, the country and the world.

I hope you will take some time to make your contribution matter for the organizations(s) that are of most interest to you. As responsible citizens of this state, we are all looking for ways to make a difference in society. This is an opportunity to make this happen.

For more information regarding the process of making a donation please refer to: <http://www.bridgew.edu/hr/COMECC2010.cfm>. If you have any questions concerning the campaign, please contact Ms. Pickup in the Office of Human Resources directly at extension 6126 or Allison.Pickup@bridgew.edu.

I hope that we will unite and support those who need our assistance through this worthwhile campaign. Your donations to support this program are deeply appreciated.
