

Scott Hall

A Residence Hall is a home where you can be silent and still be heard... where you can ask and find out who you are... where people laugh with you about yourself... where sorrow is divided and joy multiplied... where we share and live and grow.

WELCOME HOME!

Welcome to Scott Hall, the greatest place on earth! The staff here is excited that you are back on campus and living in Scott. We would like to welcome you to Scott Hall for the 2011-2012 academic year.

A fun fact about Scott Hall is that it has won the Recyclemania contest for two years in a row. We would love to keep this tradition going and strongly encourage you to be an active contributor to this program. Although the contest starts in the spring semester, we strongly encourage you to get involved right away!

The Residence Life staff is excited to assist in your living experience here in Scott. We have seven Resident Assistants and one Senior Resident Assistant who are looking forward to your arrival; they will have many ways for you to be involved in the Scott Community. We have five maintainers who work hard to keep the building looking great, please do your part by reporting all damages you see happening and filling out your room inventory accurately so you are not billed at the end of the year for any pre-existing damages.

My name is Erin Kennelly and I am the Resident Director of Scott. I am very excited to be welcoming you back to campus! We have been planning all summer for your return. I encourage you to stop by my office located in the lobby to ask any questions at any time. You can also e-mail me: erin.kennelly@bridgew.edu if that is easier.

Getting Involved!

There are many opportunities to become involved while you are residing on campus. This is a great benefit and we hope you take the challenge to branch out, meet other students you wouldn't normally have the chance to interact with. Attend programs put on by the fantastic RA staff.

Another great experience is Residence Hall Association. Residence Hall Association (RHA) is an organization of students who serve as a governing body of the residence halls. RHA provides funding for programming and works with students regarding any problems or concerns associated with residential student life.

This year, your RHA wants to make this school year the best one yet. With new events, new improvements, and new members, the BSU RHA is ready to make this a year that none of us will soon forget.

Getting to know your Maintainers

We have a team of staff members that are especially important to our community: our maintainers! You will come to get to know them well throughout the year.

They work exceptionally hard to keep the building clean and in good shape. We ask that you do your part by cleaning up after yourself.

Students are billed for

cleaning when it is additional cleaning that is not part of the maintainers' normal daily routine.

Your Maintainers:

Darlene Gamache: Ground and 4th floors

Janet Howes: 1st floor

Pauline Charland: 2nd floor

Bruce Johnson: 3rd floor

Dee Silva: Maintainer II

Security

Every time you enter the building between 7pm and 3am, a Student Security Officer (SSO) will inspect your bag, box, coat, purse, groceries, or any other packages. These inspections are conducted to ensure the safety of all residents and to eliminate restricted items entering the building. Please be respectful and cooperative, as this is done for your safety as well as the safety of the community. If you don't want your belongings searched, they will not be allowed in the building. If you are carrying any illegal or prohibited items such as alcohol, drugs, or weapons, the SSO will call BSU Police and you will likely be arrested.

Please know that Residence Life staff can also inspect your belongings at any time. This can happen at other times, outside the 7pm-3am time frame.

Quiet Hours

Sunday-Thursday: 9pm-8am
Friday and Saturday: 12am-10am

There are 24 hour Courtesy Hours. Please be respectful of our community.

There are other times during the year such as finals, when Quiet Hours will be extended. Be aware of this now and read e-mails that will inform you of specific dates.

Don't Leave Home Without It!

Your Connect Card is your life-line. This provides you access not only to Scott Hall but your individual room. Staff is not always available when you don't have your card, so it's better to make sure it is with you at all times.

DAMAGE BILLING

There are two types of damage billing related to vandalism and lack of cleanliness:

1) Individual: One or more specific individuals are found responsible for damage in a student room or common area; charges are assessed to their student accounts.

2) Community: No individuals can be determined responsible for damages in common area; therefore, all community members (wing, floor, or hall) are assessed evenly split charges to their student accounts. An e-mail is sent out to all Scott Hall residents on a monthly basis with community damages.

FURNITURE

All furniture in your room must stay in your room unless special approval has been granted by the RD.

CONNECT CARD

You are required to have your BSU ID with you at all times and you must present it every time you enter the building or to any staff member who requests to see it.

Please pay attention to the light on your room door, if your battery is starting to go, the light will turn yellow and eventually red. Please notify a staff member if you see this happen.

If you lose your card, you will need a replacement from the Connect Card Office. Remember that there is a \$25.00 fee to replace your Connect Card!
