

**Family Service Of Greater Boston
31 Heath Street Jamaica Plain, MA**

Position Title: Master level Clinicians, including Bilingual (Spanish)
Several Openings – Full time & Fee for Service

Program: Family Based & Youth Services

Posting Date: January 2012

Population: Children, Adolescents, Parents & Families for intensive therapeutic services to stabilize children/youth in their homes and community in Boston..

Job Description: Individual & family therapy provided *in clients homes and community* on an intensive basis (1-3 times per week). FSGB uses a strength based approach, and engages as many family members as needed, and assists families in identifying and securing additional needs for informal or formal social supports. Developing trusting relationships and assisting families to navigate systemic barriers is essential. Responsibilities include diagnostic evaluations, CANS, comprehensive assessments, treatment planning, crisis intervention, parent support , psycho-education, referrals, linking clients with community supports (formal & informal) and collaboration. Referrals come from various sources, including hospitals, emergency service providers, DCF, self referrals, etc. Requires collaboration skills with public and private organizations on behalf of children, youth and families. Third party billing required on non DCF contracted cases. In Home Therapy, Family Stabilization and Support Services are most often delivered in a team model.

Qualifications: MSW or related Masters Level (i.e. counseling, psychology). LICSW, LCSW, LMHC or LMFT or eligibility preferred. One – two years minimum experience with high risk populations preferred (i.e. domestic violence, trauma, behavior disorders, working with at risk teens, abuse or neglect within families, etc).

Other: **Bilingual Spanish preferred.** Join a diverse, supportive and dynamic team.

Benefits/Salary: FSGB offers competitive salary & benefits, including 4 weeks paid vacation time plus Holiday, personal and sick time; paid sabbatical after 7 years to full time employees. Excellent training opportunities, reimbursement and LICSW supervision provided. Join an exciting dynamic, diverse team that is committed to providing excellent quality services to families & children. FSGB is a very supportive environment. AA/EOE.

Resumes: Send cover letter and resume as follows. Please indicate in your cover letter how you became aware of position.
