CASH AWARDS FOR STUDENTS

This is a reminder about the Judith Holm Memorial Awards Program, a national competition which confers \$2000 cash awards. The deadline for submitting a paper is February 24, 2012.

Final-year master's degree students may compete by submitting a clinical-practice paper focused on a case from field placement. Guidelines should be available from a contact person at your school (Master's Coordinators and Field Placement Coordinators), or online at www.abecsw.org.
