Bridgewater 2020: Focusing on Solutions

The **Improving the Downtown Committee** will be visiting Norwood and Falmouth to see how they have revitalized their downtowns. From these visits we will get some fresh ideas for Bridgewater. The **Land Use Committee** continues to collect information on the kind of maps that are needed for town departments and committees. The **Communication Committee** is working on a comprehensive plan for overall communication among Bridgewater, the University and towns and cities in the region so we can better serve the area and share information about events and partnerships. Thanks so much to everyone working on these committees – we are making great progress toward the future.

Town Council

Congratulations to the members of Bridgewater's newly formed Town Council that will take effect in January 2011. This is an exciting time as Bridgewater makes its transition to the Town Manager/Town Council form of government.

One Book One Community Bridgewater

In the Time of the Butterflies by **Julia Alvarez** is the book to read this Fall! Join us on **Wednesday, November 10th at 1:00pm at the Senior Center** for an exciting **book discussion** with Gloria Moran and Evelyn DeLutis. On **Wednesday, December 1st at 7:00pm at the Moakley Center Auditorium** we will show the **movie *In The Time of the Butterflies***, starring Salma Hayek. Keep checking the website for updated information. To receive a free copy of *In The Time of the Butterflies* please visit the Office of University and Community Partnerships in the Moakley Center, Room 211 at BSU. www.bridgew.edu/ccp/onebook.cfm

University Status

We are pleased to announce the unanimous decision by the BSU Board of Trustees to rename the institution's five schools as colleges. The following nomenclature should now be used: The School of Education and Allied Studies is now the **College of Education and Allied Studies**, School of Business – **College of Business**, School of Humanities and Social Sciences – **College of Humanities and Social Sciences**, School of Science and Mathematics – **College of Science and Mathematics**, and the School of Graduate Studies – **College of Graduate Studies**.
