

GRE Tips

The GRE General Test is composed of Verbal, Quantitative, and Analytical Writing sections. The GRE is only available as a computer adaptive test (CAT) that adapts to your performance as you take the test.

Helpful GRE Websites

www.gre.org – The official GRE site of the Education Testing Service (ETS). It is the only website where you can register to take the GREs. Once you have registered for the GREs, you can access free testing preparation materials on this site.

www.GREguide.com – Download free GRE preparation material by Kaplan, Peterson's and ETS. Also has a "Best Study Materials" list (books and software)

www.soundkeepers.com/GRE/ - Free GRE vocabulary builder in flashcard format

www.vocabvitamins.com -Free general vocabulary development with grammar reference section
