I think that somebody that bullies people might be mad because their parents are divorced, maybe somebody in their family or one of their friends passed away or they might even want to copy their friends, and maybe they wanted something that they didn't get. Their parents might be fighting a lot so he or she might of got it from them. Some people that are bullies might of been bullied. Some people might just want to be a bully for the fun of it. Somebody might be picking on somebody and be giving them pay back and then they like being a bully. Those are all my reasons.

I don't think it's fair because the people who are getting bullied maybe didn't do anything and they don't want anything to do with what's going on with the bully that is bullying them. If I was getting bullied then I would say "wait before you do anything to me. I want
