

Welcome to Miles/DiNardo!

Welcome to Miles/DiNardo!

I'd like to introduce myself to you, I'm Michelle DeMille, your Resident Director. This is my first year as the RD in Miles/DiNardo and I'm looking forward to working in a new area and getting to know all of you. Please feel free to stop by my office, located on the ground floor in DiNardo, to introduce yourself and say hello! My office hours are posted on the office door as well as the Residence Life & Housing webpage.

Make yourself comfortable because this will indeed be your home for the next nine months. Our staff will do all that we can to make it feel that way. Miles/DiNardo is the place where you will live, sleep, study, socialize — oh and learn too!

Keep your eyes open to all sorts of exciting activities and opportunities within your hall. The RAs will be working hard all year to bring you chances to get out and meet your neighbors or try something new!

All we ask of you is that you be a responsible member of the community and be open to new experiences. If you have questions, please ask! It's okay not to know everything and not to have all the answers.

Welcome home, we are glad to have you!

Residence Hall Association

Residence Hall Association (RHA) is an exciting opportunity for any student looking to make a difference in the residence halls. RHA is comprised of representatives from every residence hall on campus who work together to plan events for the resident students as well as review residence hall policies and procedures.

Whether you're looking to get involved on campus, meet students in other residence halls, or be an influence over policies and procedures RHA is the organization. If you are interested in participating in RHA please speak with your Resident Assistant, Resident Director or visit the Residence Hall Association website:

Tobacco Free Policy

Bridgewater State University prohibits smoking and tobacco use on all University property. University property includes, but is not limited to, University owned and leased buildings and facilities; University owned and leased vehicles; parking lots, building entrances, and common areas. The University will fully implement this policy and all applicable laws, regulations, and local ordinances.

Bridgewater State University reserves the right to initiate disciplinary procedures, up to and including termination for employees or expulsion for students, against any individual found to be in continuous violation of this policy.

The Tobacco-Free Policy is intended to eliminate exposure to second-hand smoke, provide an environment supportive of tobacco-free lifestyles, eliminate the risk of accidental fire, eliminate the health risks associated with expectoration from smokeless tobacco, and eliminate the environmental impact of cigarette litter. It applies to all faculty, staff, students, visitors, customers, vendors, consultants, contractors and their employees.
