1. Term

201190 – Fall 2011
 201110 – Spring 2011
 201150 – Summer 2011

2. Student Schedule

This is the student's schedule at the time of the billing statement. Any dropped courses/additions done after the statement date will be reflected on the next billing statement.

3. Charges

Total charges include all charges for this billing statement period. Multiple tuition and fee charges can be expected for students enrolled in a combination of both day and evening courses taken after 4:00 pm.

4. Credits/Anticipated Credits

Total payments or Authorized/memo financial aid. Includes Financial Aid that student's have been qualified to receive pending completion of their financial aid file. Also, Financial Aid reflected here doesn't always indicate that the aid has been disbursed to your student account. Financial Aid is typically disbursed in October for the Fall Term and in February for the Spring Term.

5. Previously Billed Balance

Indicates any outstanding charges or credits from any term other than the term indicated on this statement. This balance may be from a past or future term which has already been billed.

6. Current Term Balance

Balance of the current term only.

7. Total Amount Due

Balance due at the time of the billing statement. Reflects both the current term and previously billed balances.
