

BSU Student and Alumni Networking Group Rules

- Conduct him or herself in an ethical and professional manner. This includes writing polite and professional responses, reviewing discussion requests and responses for grammatical and spelling errors and introducing discussion topics that are only relevant to the networking topic.
- If arranging an in-person informational interview, schedule the networking to take place in a commercially zoned office space or in a public place during regular business hours. Informational interviews should never take place at a private home, a home/office arrangement, or a hotel room.
- Keep confidential any sensitive or personal information received from or in conversation with an alumnus or student.
- This LinkedIn site should not be used for internship or job placement, recruitment, solicitation or for personal means.

Any member of the BSU Student and Alumni Networking Group who does not follow the above rules may be contacted by the manager for discussion of these rules and/or permanently blocked from participating in the group.
