BRIDGEWATER STATE UNIVERSITY PREREQUISITE OVERRIDE FORM

(This form is used to enable registration into a course only. It has NO impact on a student's degree audit.)

At the time of registration, students must have met the required course prerequisites, or obtain approval for a prerequisite override from the chairperson of the department offering the course. This form may be used for that purpose. For a prerequisite course taken at institutions other than BSU, a transcript and, in some cases, a course description may be required prior to approval.
