

CAREER LINK@BSU Alumni Mentor Policy

Career Services strongly recommends that an Alumni Mentor Registrant of the CAREER LINK@BSUMentor database:

- Conduct him or herself in an ethical and professional manner
- If arranging an in-person meeting, the Alumni Mentor should schedule networking to take place in a commercially zoned office space and/or in a public place during regular business hours
- Information provided by the student to the Alumni Mentor remains confidential unless the student has consented disclosure information to another individual or contact
- Refrain from using the database for solicitation, fundraising, job placement, recruitment or for personal means

By registering and using the CAREER LINK@BSU Mentor database, you agree to the acceptable use of terms established by Bridgewater State University Career Services. Please contact Career Services at 508-531-1328 with any questions or comments.
