Eligibility

- To be eligible for admission, transfer students must have earned one of the following:
 - between 12 and 23 transferable college credits with a 2.5 college grade point average or
 - 24 or more transferable college credits with a 2.0 grade point average

Please note that these are merely minimum grade point averages and do not guarantee admission.

Second Degree Option: You may be admitted to the university to pursue an additional bachelor's degree in a field of study substantially different from your initial degree program if you have earned a bachelor's degree at Bridgewater State University or at another accredited institution. More information on completing a second bachelor's degree can be found in the university catalog under Undergraduate Admissions.

Apply

- Submit a transfer application online.
- Visit <http://www.bridgew.edu/admissions/undergraduate/apply>
- Students transferring 24 or more credits need to only submit their transfer application and transcript(s).
- Students transferring 23 or fewer credits must submit their high school transcripts, SAT scores and an essay.
- Transfer students are not required to come in for a formal interview.

Submit Transcript(s)

- Send your academic transcript(s) to the Office of Undergraduate Admissions, Welcome Center, 45 Plymouth Street, Bridgewater, MA 02325
- If you do not hear from the Office of Admissions in a reasonable amount of time, contact them at 508-531-1237 to be sure all of your materials have been received. Your application must be complete before it will be reviewed.
- You must submit transcript(s) from each institution you have attended, even if you do not think the transcripts are relevant to your application. Failure to do so could result in lost transfer credits. If you are currently enrolled, send a transcript now showing the courses you are enrolled in. Be sure to request your final transcript once you have completed your last semester. This will not happen automatically - only you can authorize the release of your transcript(s).
- **Your transcript(s) must arrive in a signed/sealed envelope from your transfer institution.**
